## FOR IMMEDIATE RELEASE

### SPT CONSULTING MERGES WITH ENDEAVOR MANAGEMENT

HOUSTON, Texas, February 6, 2017 — As part of its growth strategy, Endeavor Management has announced that SPT Consulting LLC has merged with Endeavor's Expert Advisory Group. This most recent merger is part of Endeavor's strategy to build greater capabilities with unique expertise in manufacturing to meet client needs in the Oil & Gas and Manufacturing sectors.

"We continually seek to enhance our services in response to client requests for us to develop a broad range of specialized expertise in their areas of business. SPT Consulting will improve our capabilities in the area of manufacturing process excellence." said Bruce Crager, Executive Vice President of Endeavor Management's Expert Advisory Group, "SPT will enable us to help our manufacturing clients be more cost effective and efficient as the industry begins its rebound from lower oil prices."

The transaction will also bolster SPT Consulting's capacity to supply manufacturing operations excellence advisory services and offer its clients additional support in strategic advisory services, oil & gas industry expertise, and growth strategy consulting.

"The merger with Endeavor Management allows us to offer a more comprehensive suite of assistance and solutions to our customers, and assists us in entering new industry sectors." said Steve Tomlinson, President and Owner of SPT Consulting, LLC. "Our combined resources will benefit both SPT and Endeavor clients with strategic advisory solutions for end-to-end servicing of their business growth needs."

#### About Endeavor Management

Headquartered in Houston Texas and doing business globally, Endeavor Management creates and advises market leaders through fresh insights, industry expertise and practical strategies. Endeavor Management currently has an extensive network of clients in the upstream and downstream oil & gas, healthcare and retail industries. Previous successful Endeavor Management mergers include Gelb Consulting, which brought over 40 years of experience in providing strategic marketing and research to the upstream and downstream industries.

#### About SPT Consulting

SPT Consulting LLC offers a broad range of advisory services to manufacturing, service, distribution and investment firms in the form of operational assessments / due diligence, business feasibility and planning, LEAN operation design, machine / technology definition and assessments, operations staff training, business process redesign, and value-added leadership.
